Project Title: Arts of Italy

I'd like to build this site as multiple pages, with each page dedicated to one specific aspect of Italian Arts. The website should have clear navigation and hierarchy for visitors to identify the information that they are most interested in regarding Italian Culture and Arts.

1. Home Page

Give a brief overview of Italian art, its influence on major artistic movements and historical periods

2. Architecture

3. Fashion and Design

4. Literature

5. Motion Pictures

6. Fumetti

7. Music

8. Science and technology

9. Sculpture

10. Theatre

11. Visual Art

12. Sources - the Wikipedia page, as well as other sources for photography
